Wagner boss Prigozhin was on crashed plane, Russia confirms

While countless theories about events swirled, most observers saw Prigozhin's death as Putin's punishment for most serious challenge to his authority of his 23-year rule

Ukrainian President Volodymyr Zelensky (R) greets Portugal's President Marcelo Rebelo de Sousa on Thursday

Russian mercenary chief Yevgeny Prigozhin and top officers of his private military were presumed dead in a plane crash that was widely seen as an assassination, two months after they staged a mutiny that dented Russian President Vladimir Putin's authority.

Russia's civil aviation agency said that Prigozhin and six top lieutenants were on a business jet that crashed on Wednesday, soon after taking off from Moscow, with a crew of three.

Rescuers quickly found all 10 bodies, and Russian media cited sources in Prigozhin's Wagner private military company who confirmed his death. US and other Western officials long expected Putin to go after Prigozhin, despite promis-

ing to drop charges in a deal that ended the June 23-24 mutiny. "I don't know for a fact what happened but I'm not surprised," US President Joe Biden said. "There's not much that happens in Russia that Putin's not behind." Prigozhin supporters claimed on pro-Wagner messaging app channels that the plane was deliberately

downed and offered different theories for how.

Police cordoned off the field where the plane crashed as investigators studied the site. Vehicles were seen driving in to take the bodies, reportedly badly charred, for a forensic exam. At Wagner's headquarters in St. Petersburg, lights were turned on in the

shade of a large cross. Prigozhin's supporters brought flowers to the building in an improvised memorial. While countless theories about the events swirled, most observers saw Prigozhin's death as Putin's punishment for the most serious challenge to his authority of his 23-year rule. Tatiana Stanovaya, a

senior fellow at the Carnegie Russia Eurasia Center, said on Telegram that "no matter what caused the plane crash, everyone will see it as an act of vengeance and retribution" by the Kremlin, and "the Kremlin wouldn't really stand in the way of that."
