Nothing contained herein shall constitute investment, legal, accounting, regulatory, tax, or other professional advice.

Any views, estimates, projections, forecasts, assumptions, or opinions expressed herein are those of the author(s)/analyst(s) as of the date of this Document and are subject to change without notice. Past performance is not indicative of future results. Investments in securities and financial instruments are subject to market risks, including the possible loss of principal amount invested. This document is not a prospectus, a statement in lieu of a prospectus, an offering circular, an advertisement or an offer document under the Companies Act, 2013, the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 ("SEBI ICDR Regulations"), or any other applicable laws in India.

This Document is intended solely for distribution to persons who are eligible to receive it under applicable laws and regulations. It is not directed to, or intended for distribution, publication, availability, or use by, any person or entity in any jurisdiction where such distribution or use would be contrary to applicable law or regulation or would subject Systematix Group or its affiliates to any registration, licensing, or other regulatory requirement.

Investments in foreign currency-denominated securities may be adversely affected by exchange rate fluctuations, which may impact the value, price, or income derived from such investments. Investors in instruments such as ADRs and other foreign securities assume associated currency and market risks.

Neither this Document nor any copy hereof may be taken into, transmitted, distributed, or redistributed, directly or indirectly, in or into the United States, Canada, or Japan, or to any resident or citizen thereof, or to any U.S. Person as defined under applicable U.S. securities laws. If this Document has been received in such jurisdictions by mistake, the recipient is requested to immediately inform the sender and destroy all copies of the Document.

No part of this Document may be copied, reproduced, redistributed, published, transmitted, or disclosed, in whole or in part, by any recipient to any other person or entity without the prior written consent of Systematix Group. Unauthorized use or distribution may violate applicable laws and regulations.

To the maximum extent permitted under applicable law, Systematix Group and its affiliates disclaim all liability for any direct, indirect, incidental, consequential, special, or punitive loss or damage arising from the use of, reliance on, or inability to use this Document or the information contained herein, including without limitation losses arising from market fluctuations, technical interruptions, delays, errors, omissions, or inaccuracies.

Systematix Group, its affiliates, directors, officers, employees, analysts, and representatives may from time to time:

- (a) have long or short positions in, and buy or sell, securities or financial instruments referred to herein;
- (b) act as market maker, advisor, lender, borrower, underwriter, or investment banker to the companies referred to herein; or
- (c) receive brokerage, fees, commissions, or other compensation from such companies or transactions.

Accordingly, Systematix Group and/or its affiliates may have actual or potential conflicts of interest with respect to any company, security, or information discussed in this Document.

The views expressed in this Document are those of the author(s)/analyst(s) and do not necessarily reflect the views of Systematix Group or its affiliates.

The compensation of research analysts is determined by Systematix Group and may be linked to the overall revenues and profitability of the organization and its affiliates, including investment banking, sales, and trading activities; however, no part of the analyst compensation was, is, or will be directly or indirectly related to the specific recommendations or views expressed in this Document. Systematix Group generally prohibits its research analysts, employees reporting to analysts, and their respective immediate family members from having financial interests in securities of companies covered by such analysts, or from serving as officers, directors, or advisory board members of such companies, except as permitted under applicable laws and internal policies.
